How To Review A Demo App

You can preview each of the demo apps by visiting:
previewyourapp.com
and following the instructions on the site.

The online previewer will allow you to launch
and view the app as it is seen on a mobile device.

Tacolicious

App Code: Tacolicious

Tacolicious engages their customers by encouraging them to submit new taco flavor ideas using the 'Taco Request' feature.

El Burrito

App Code: BurritoRedlands

El Burrito accepts customer orders via their mobile app, making it easier and more engaging for customers to order exactly what they want to eat!

Pizzicato Pizza

App Code: PizzaMan

Pizzicato creates customer loyalty and increases sales retention by including a loyalty card function in their mobile application.

Bay Street: Biergarten

App Code: BaySB

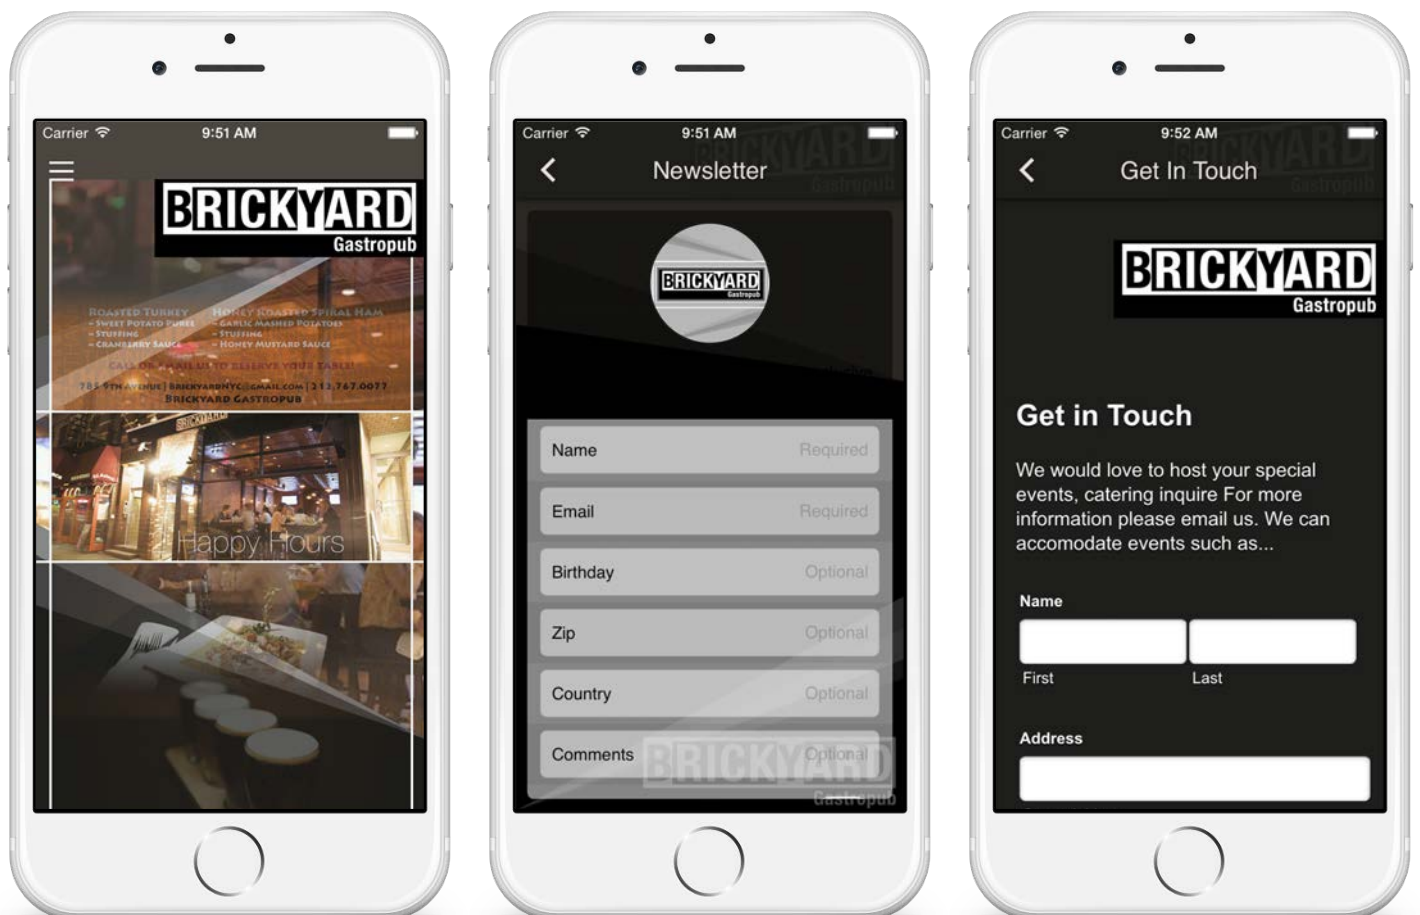

Bay Street Brewery includes a wonderful 'About Us' section in their app that allows them to tell their story to existing and potential customers. This helps gain trust in their brand.

Brickyard: Gastropub

App Code: BrickYardNYC

Brickyard pub engages their patrons with a monthly customer newsletter that features new menu items, upcoming events and other news. They have an opt in form for the newsletter which increases subscribers.

Broken Bells

App Code: BrokenBells

Broken Bells serves new music to hungry fans via their mobile app.
This enables customers to try and buy their music, hassle free.

Jamie T

App Code: JamieTM

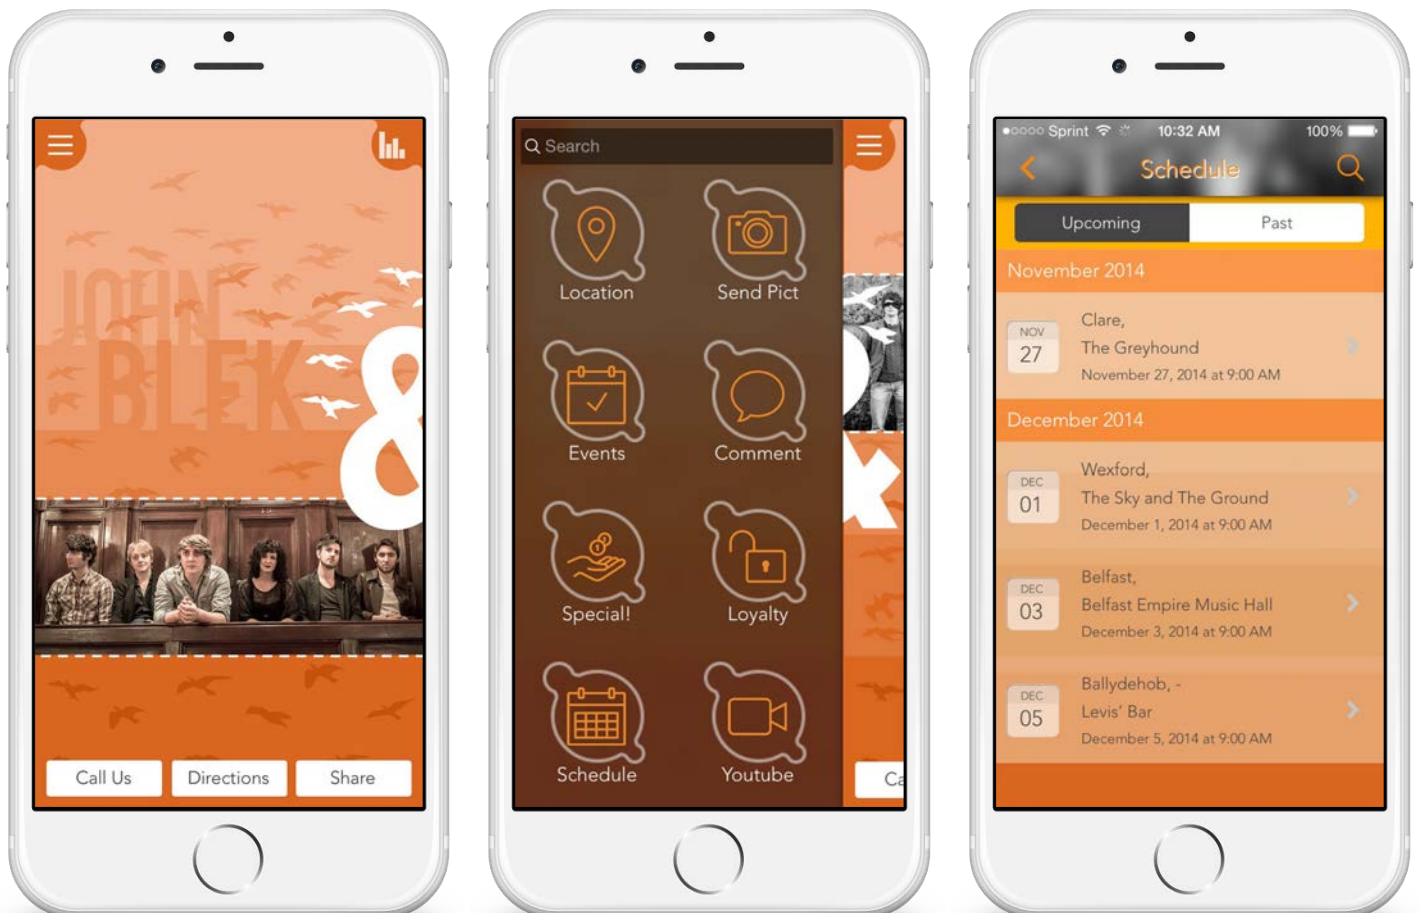

Jamie T does a great job of promoting upcoming events via his mobile app, which can then be shared on social networks by his loving fans.

John Blek & The Rats

App Code: JBandTR

John Blek & The Rats uses their mobile app to engage fans with their Youtube account. This helps them increase video views and reach new fans.

Haverkate Group

App Code: HaverKate

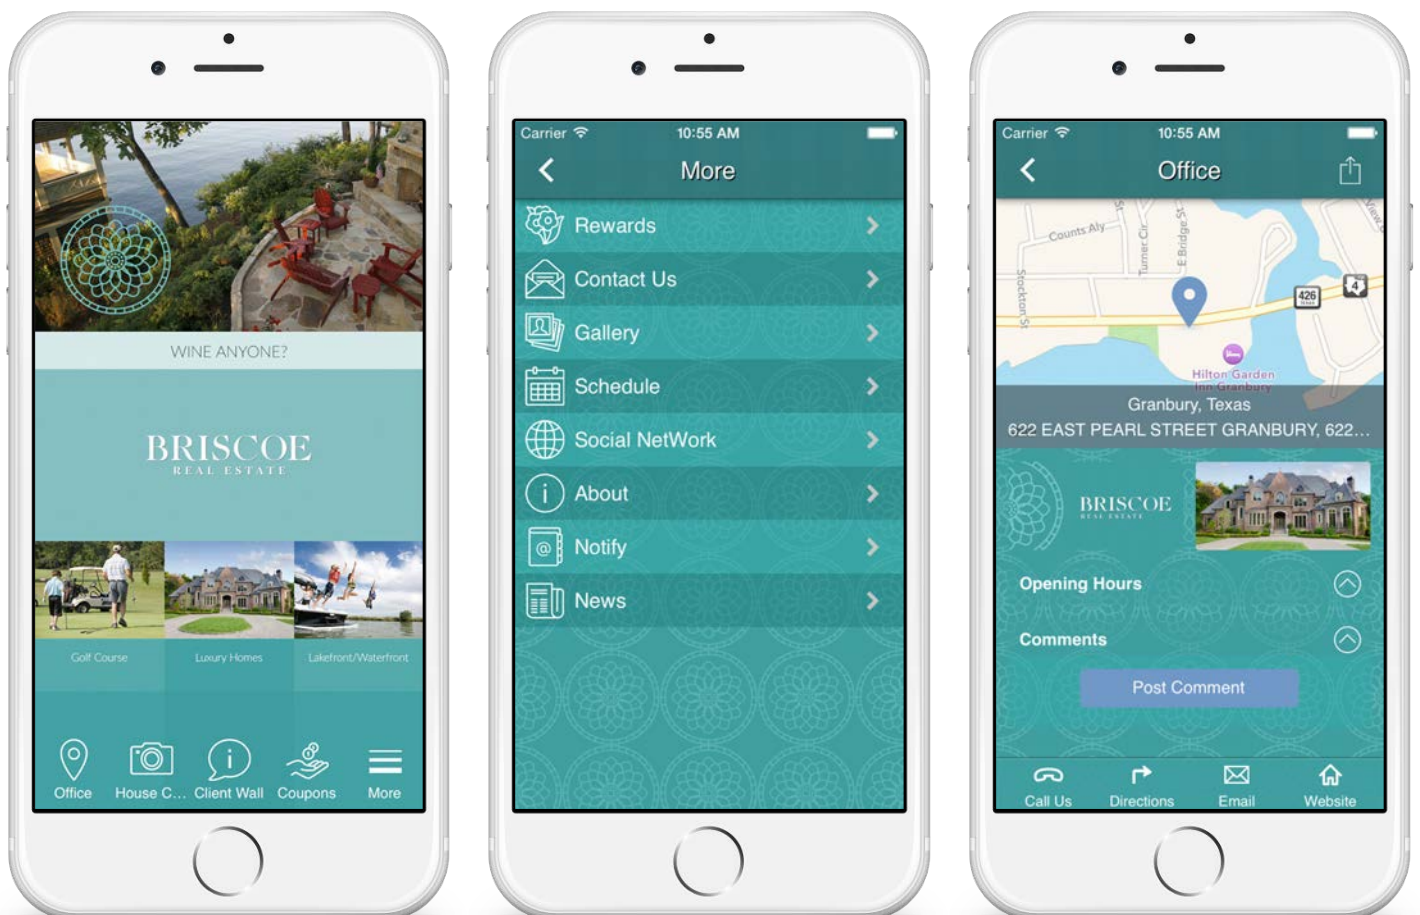

When dealing with new customers, gaining trust is the #1 priority for real estate agents. The Haverkate Group uses a savings calculator to educate customers on savings when selling their home.

Briscoe

App Code: LGBR

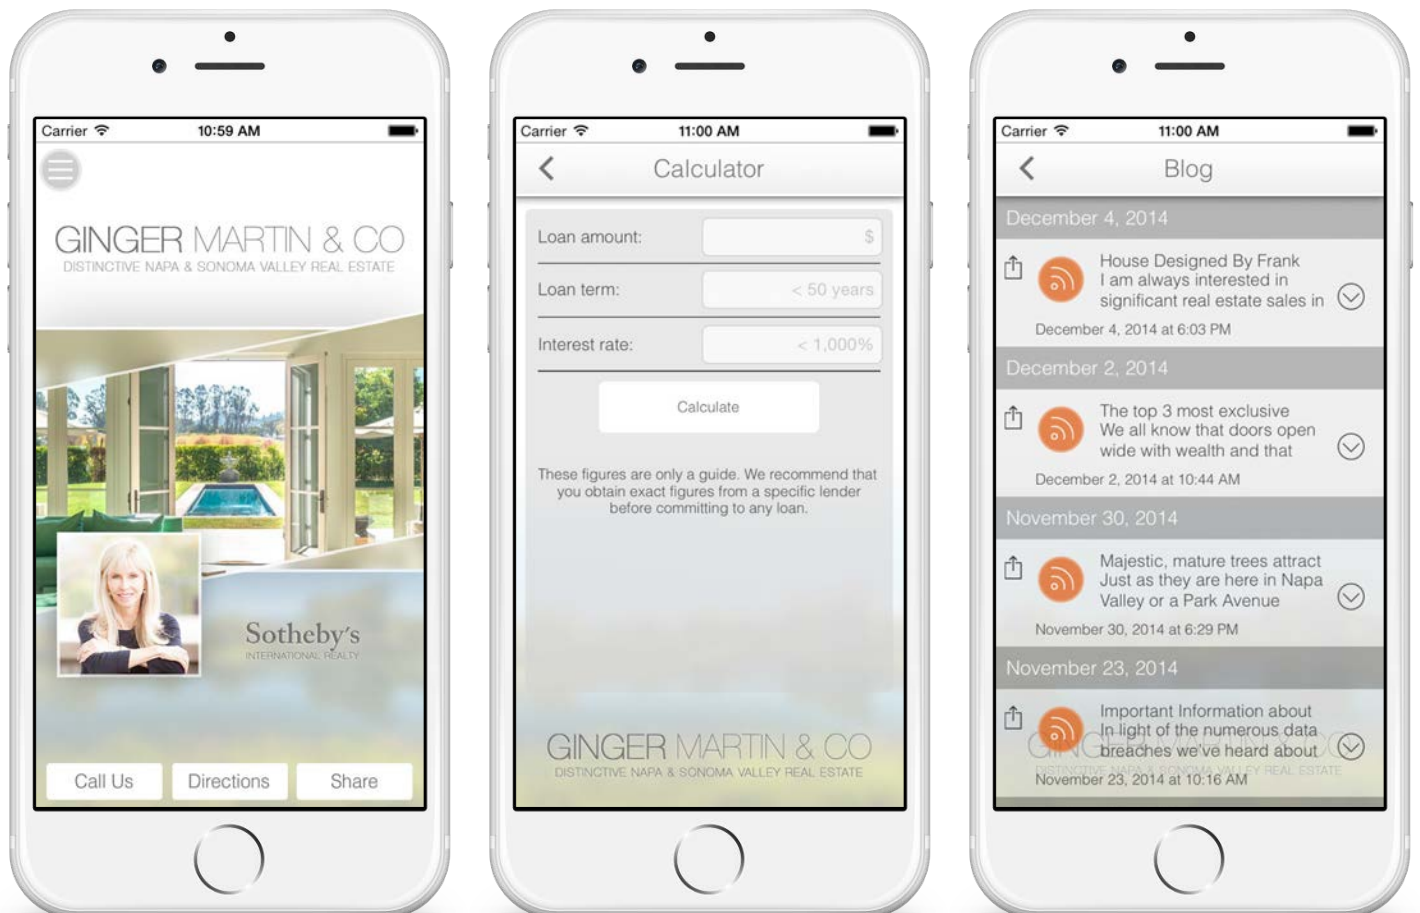

Briscoe uses gamification techniques in their mobile app by rewarding customers who inquire about new homes on the market.

Ginger Martin & Co

App Code: GMCO

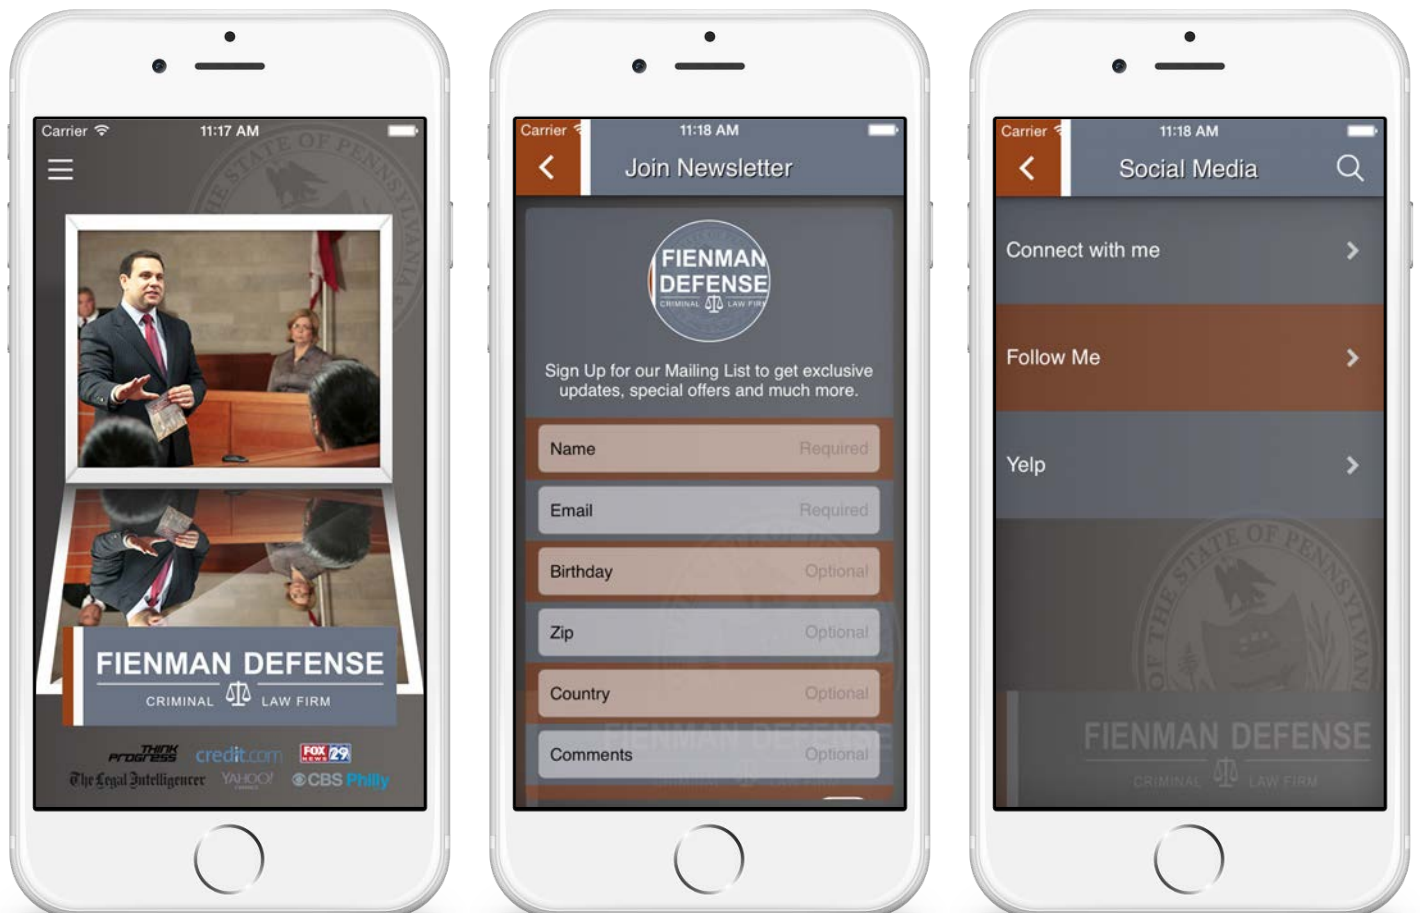

Ginger Martin & CO have found their blog to be their best marketing asset. They use their mobile app to increase readers and engagement with the brand.

Fienman Defense

App Code: PhiladelphiaCriminalAttorney

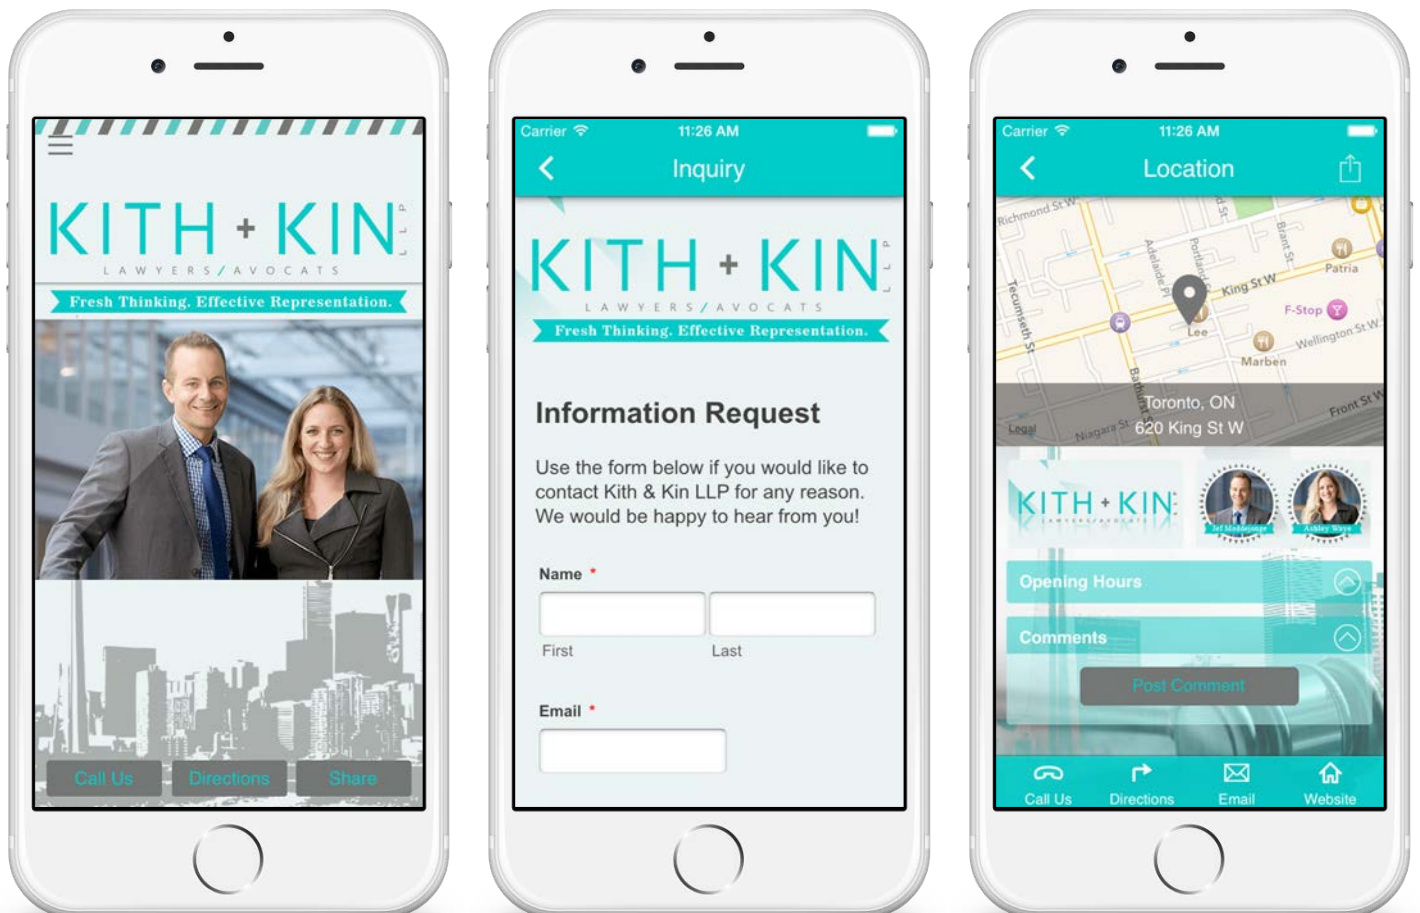

Fienman Defense gains followers and connections by promoting their LinkedIn, Twitter and Yelp profiles with current and prospective clients.

Kith + Kin Lawyers

App Code: KithAndKinLaw

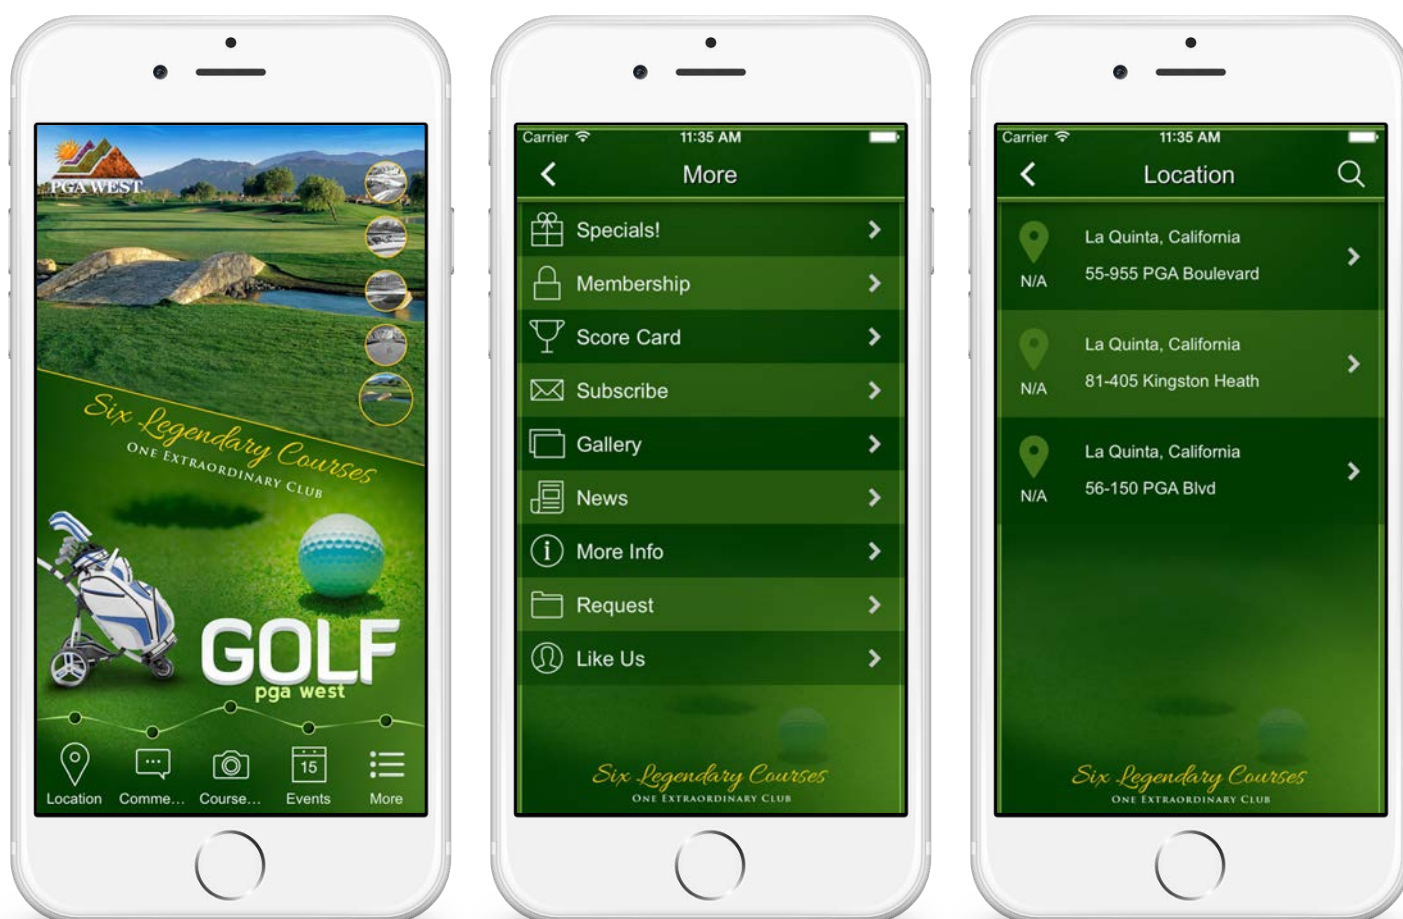

Kith & Kin generate new clientele via their mobile app by including an information request form. This is a great way to increase clients without spending too much on advertising or a website.

PGA West

App Code: PGAWest

PGA West has an awesome feature in their mobile app that lets players view the course layout before teeing off. This gives their players a great feature that other golf courses do not provide.

Hella Grip

App Code: HellaGrip

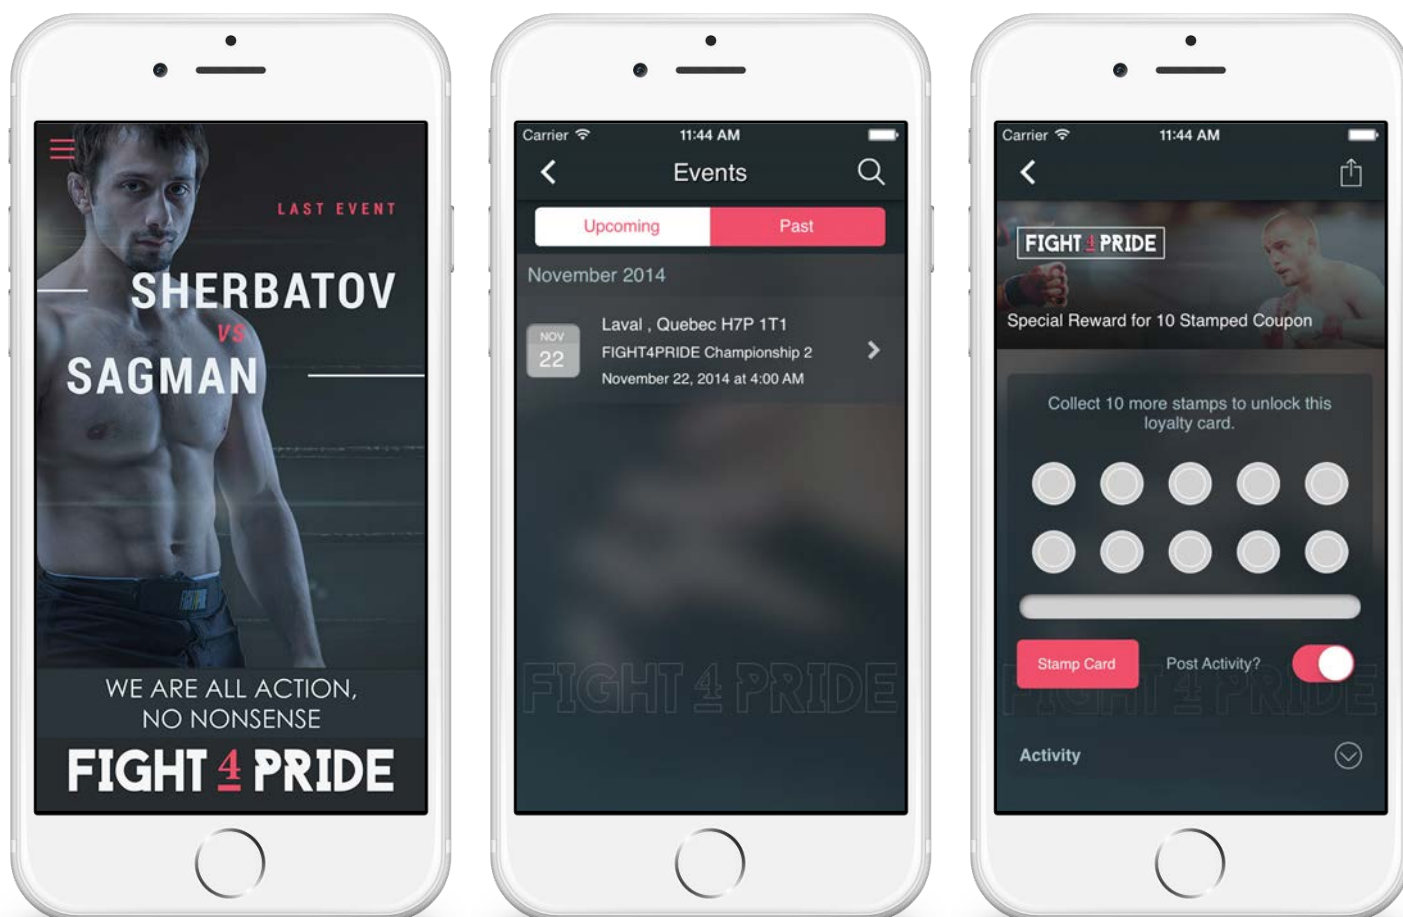

Hella Grip gives their customers a taste of the latest fashion trends by including a photo gallery in their mobile app. This increases awareness of new items and helps drive an increase in sales.

Fight 4 Pride

App Code: F4P

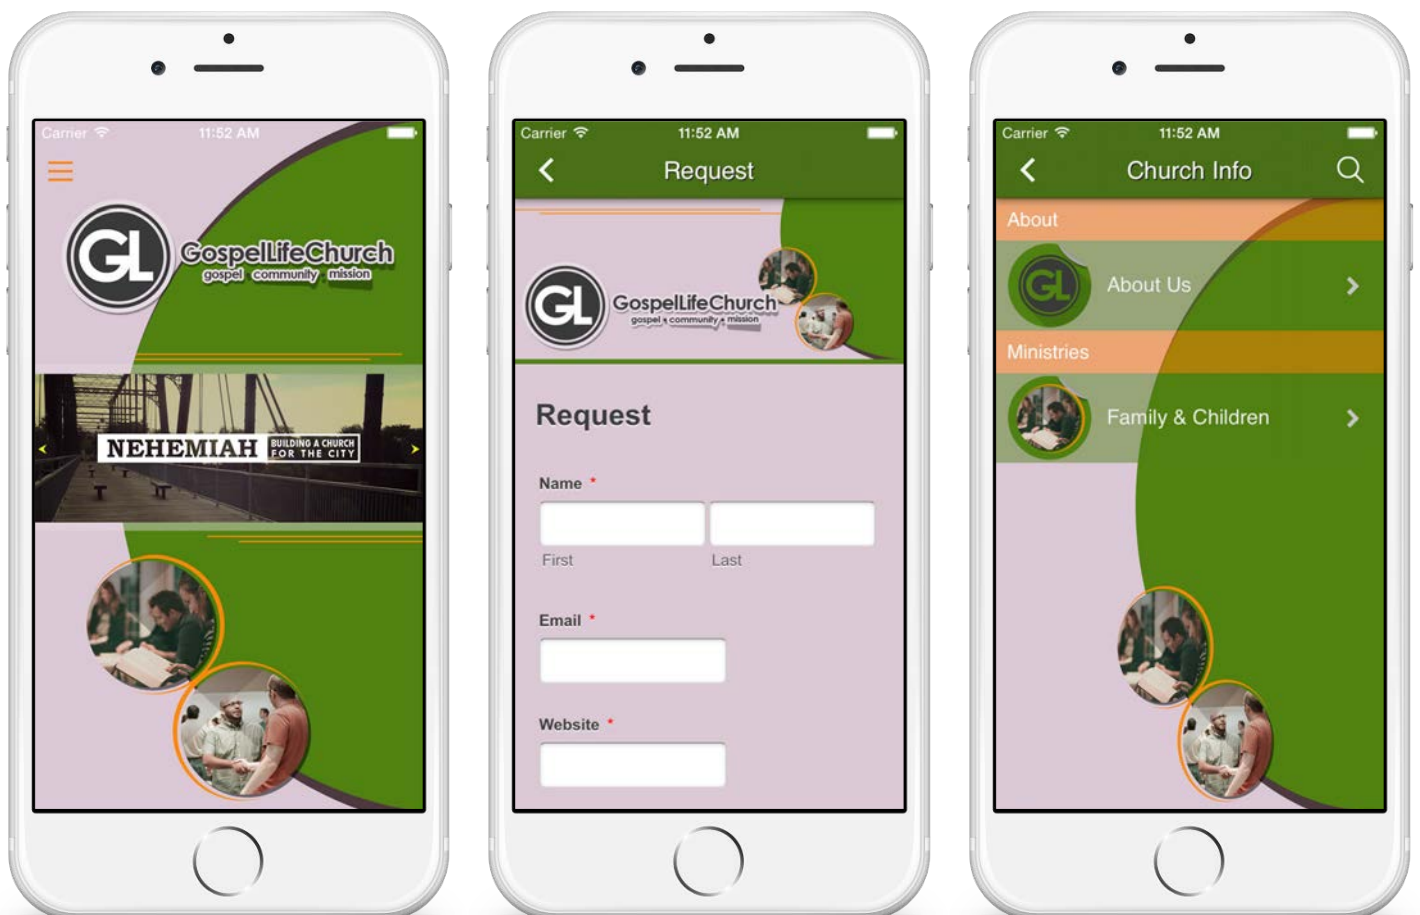

Fight 4 Pride increases ticket sales by promoting their upcoming events within the app.

Gospel Life Church

App Code: GospelLife

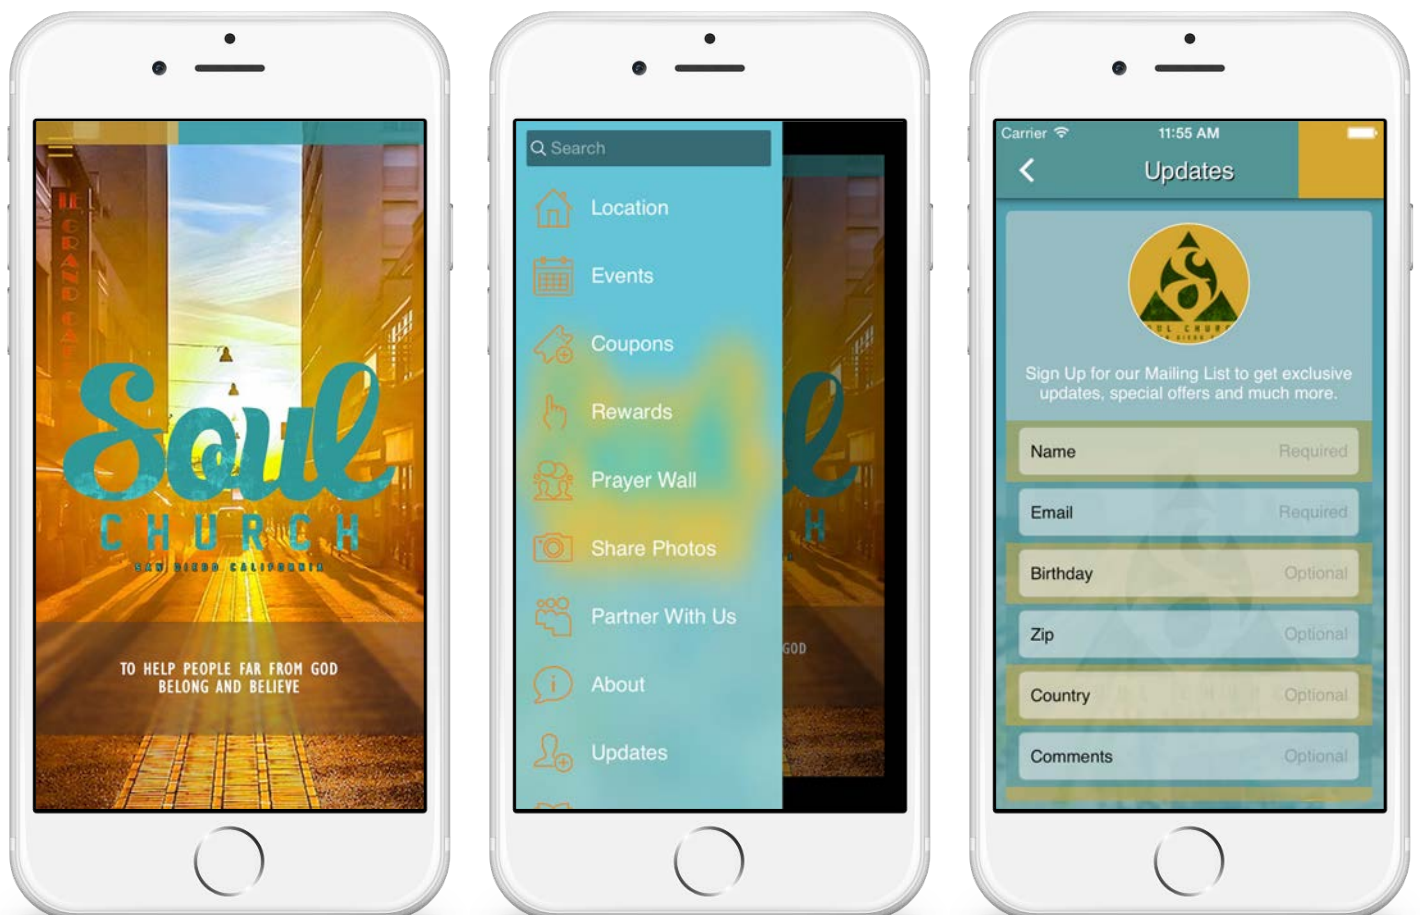

Gospel Life Church increases community engagement by including a feedback form in their mobile app.

Soul Church SD

App Code: SoulChurchSD

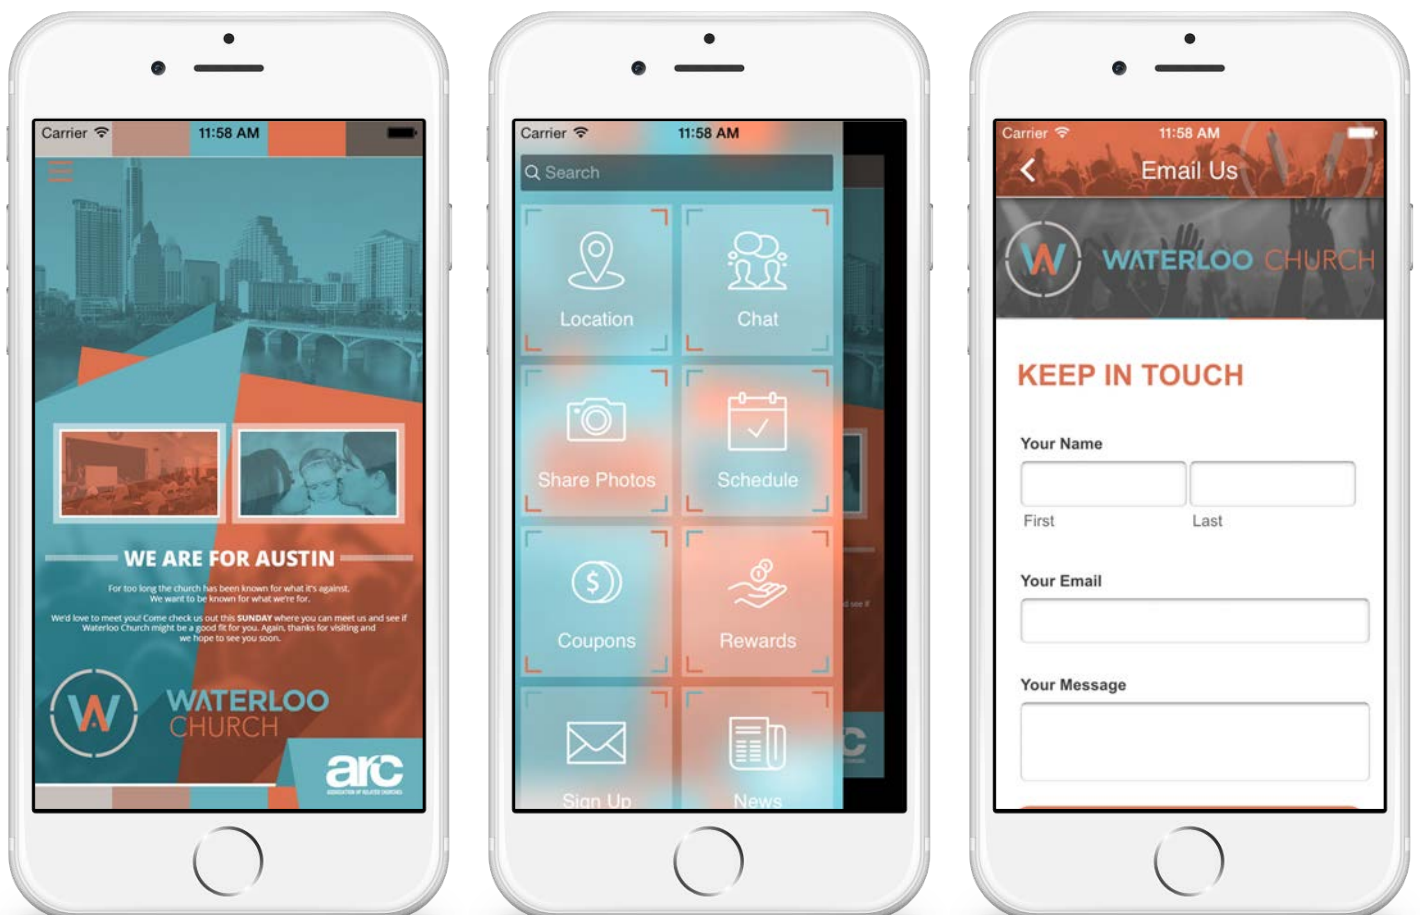

Soul Church gives its community the ability to post to a public prayer wall so others can take part. This gives a true sense of community which is a common goal for churches.

Waterloo Church

App Code: WaterLoo

Waterloo Church shares events and news by using the 'News' tab in their mobile app.

Heart of the City

App Code: CFMarket

Heart of The City Farmers Market has integrated their Facebook page within their mobile app which increases engagement from the community.

One

App Code: OneOrg

One Organization uses their mobile app to give useful info to prospective donors about the mission of their organization.

Into the Arctic

App Code: ITA1

Into The Arctic uses a promotion feature in their mobile app to help drive donations for specific campaigns.

PrettyLittleThing

App Code: PrettyLittleThing

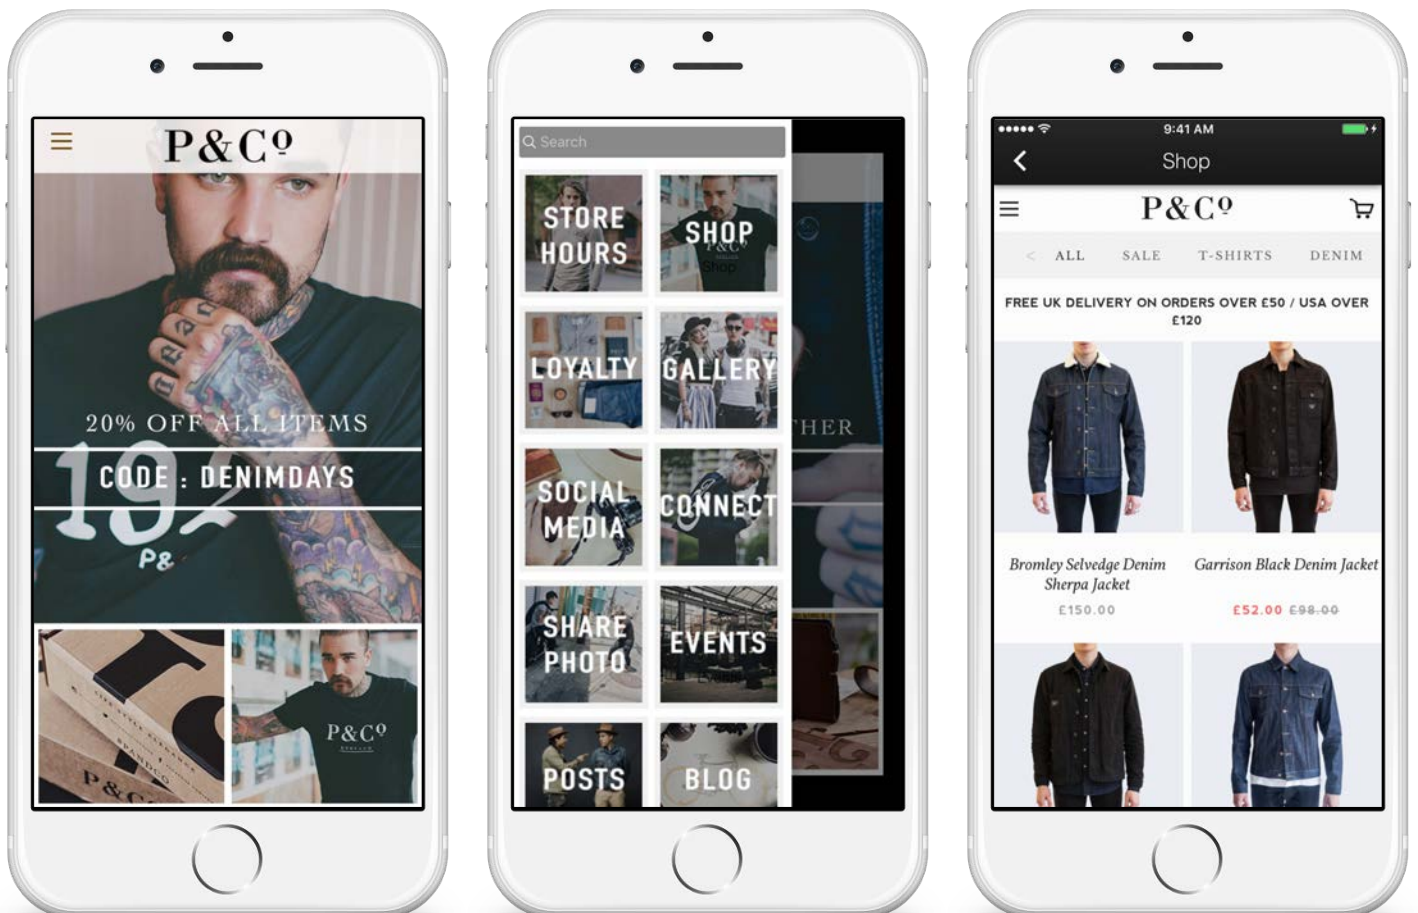

PrettyLittleThing increases sales retention by promoting discounts and specials through push notifications. Customers receive 10% off when downloading the app for the first time.

P & Co

App Code: PandC

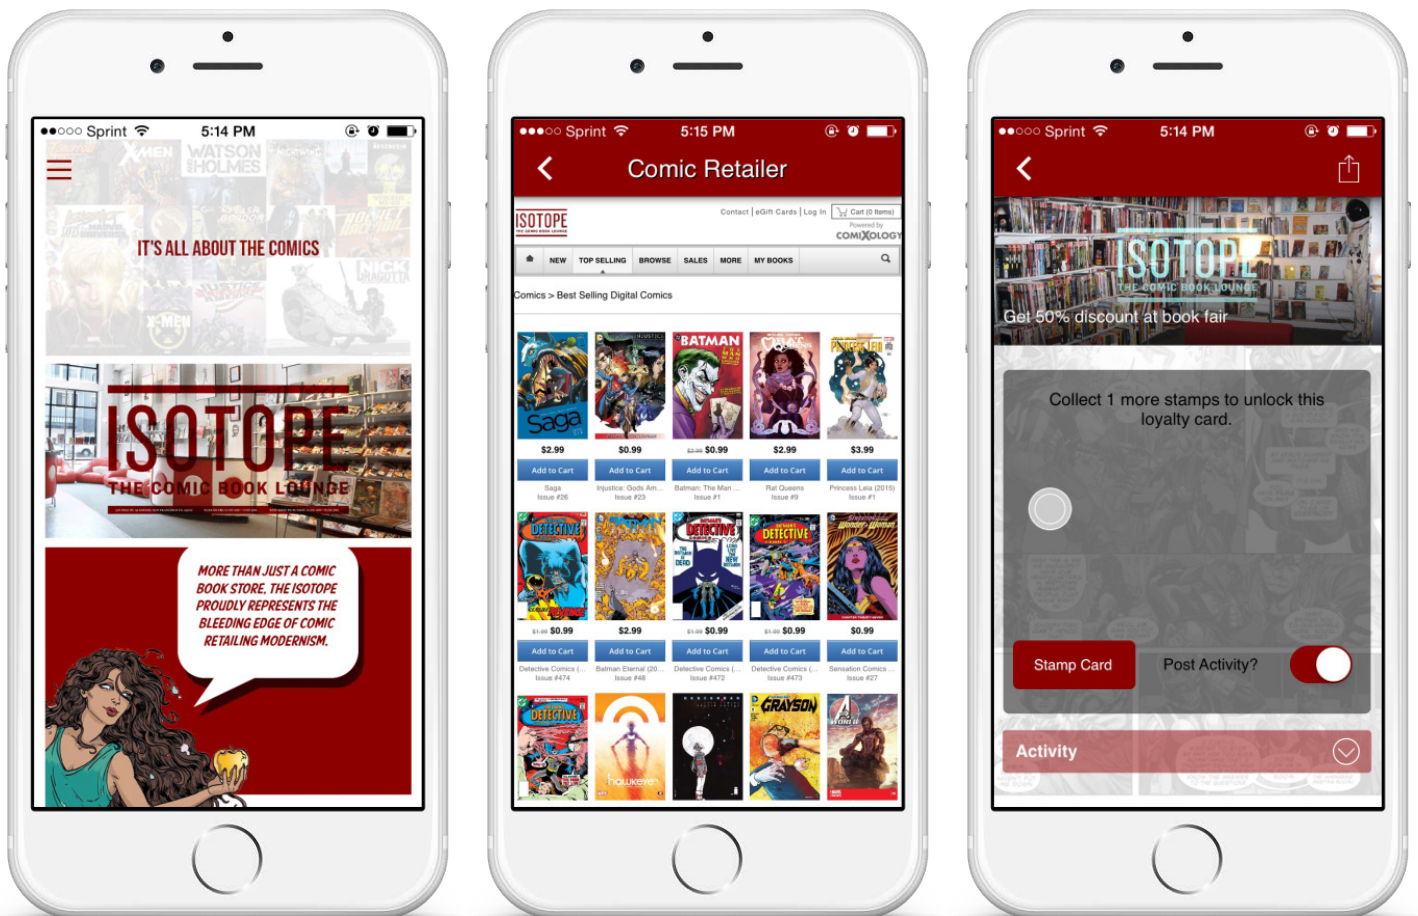

P & Co increases sales retention by promoting discounts and specials through push notifications. Customers receive 10% off when downloading the app for the first time.

The Comic Book Lounge

App Code: Isotope

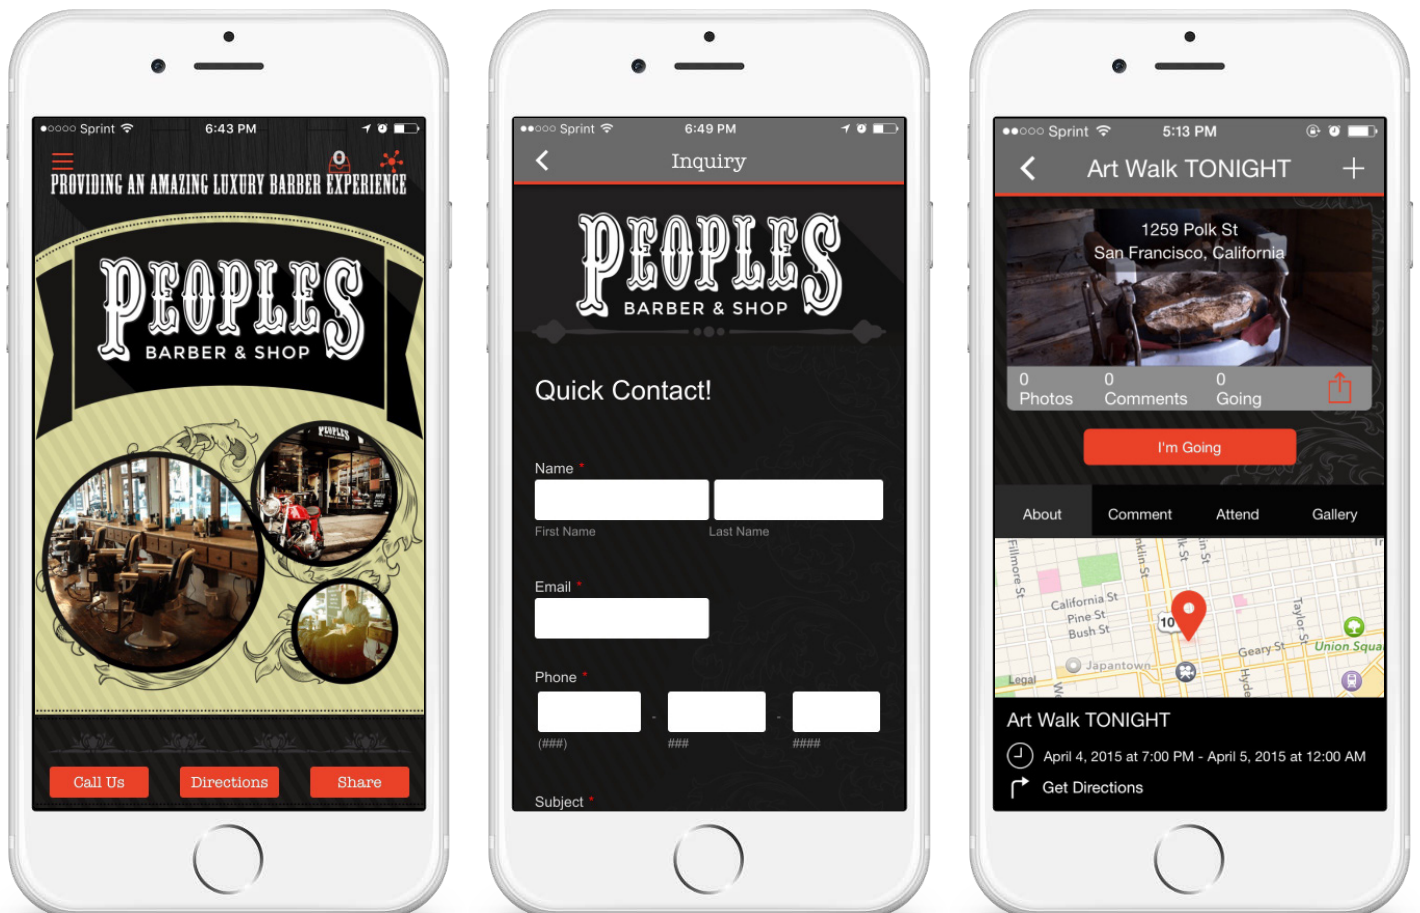

Isotope Comics uses the app to promote online ordering and preordering comics for store pick-ups. Consumers are digitally rewarded for pick-ups.

Peoples Barber Shop

App Code: PeoplesBarber

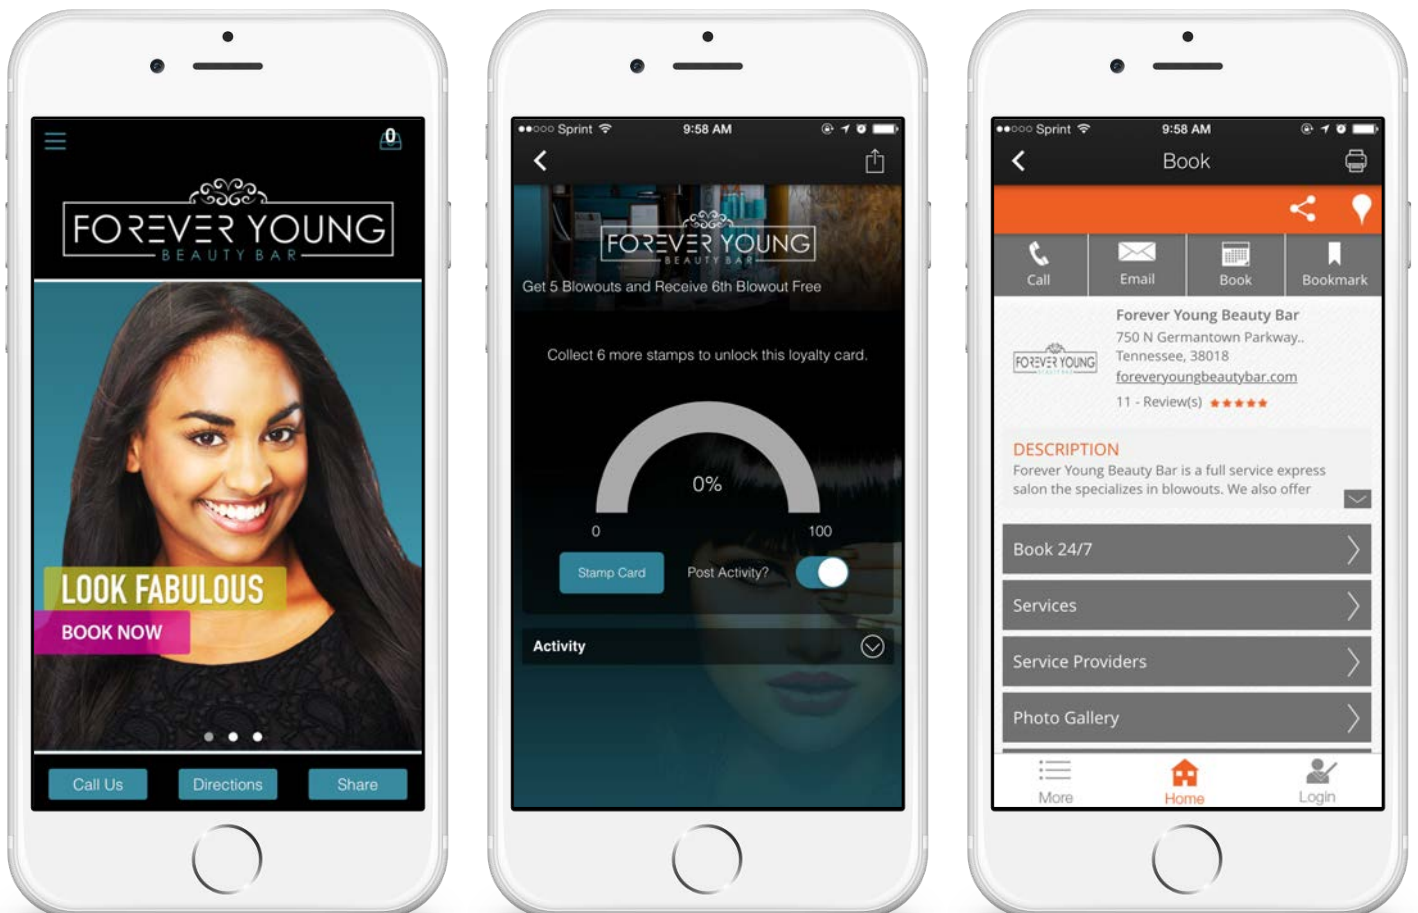

Peoples Barber & Shop uses a sophisticated loyalty program to keep customers returning. Satisfied clients send pics through the app for Peoples social media.

Forever Young Beauty Bar

App Code: ForeverYoungSpa

Forever Young Beauty Bar uses the app for salon bookings intertwined with Vagaro's booking software. Free blowouts are offered for loyal clients who book through the app.

Nailbar & Beauty Lounge

App Code: iRNailbar

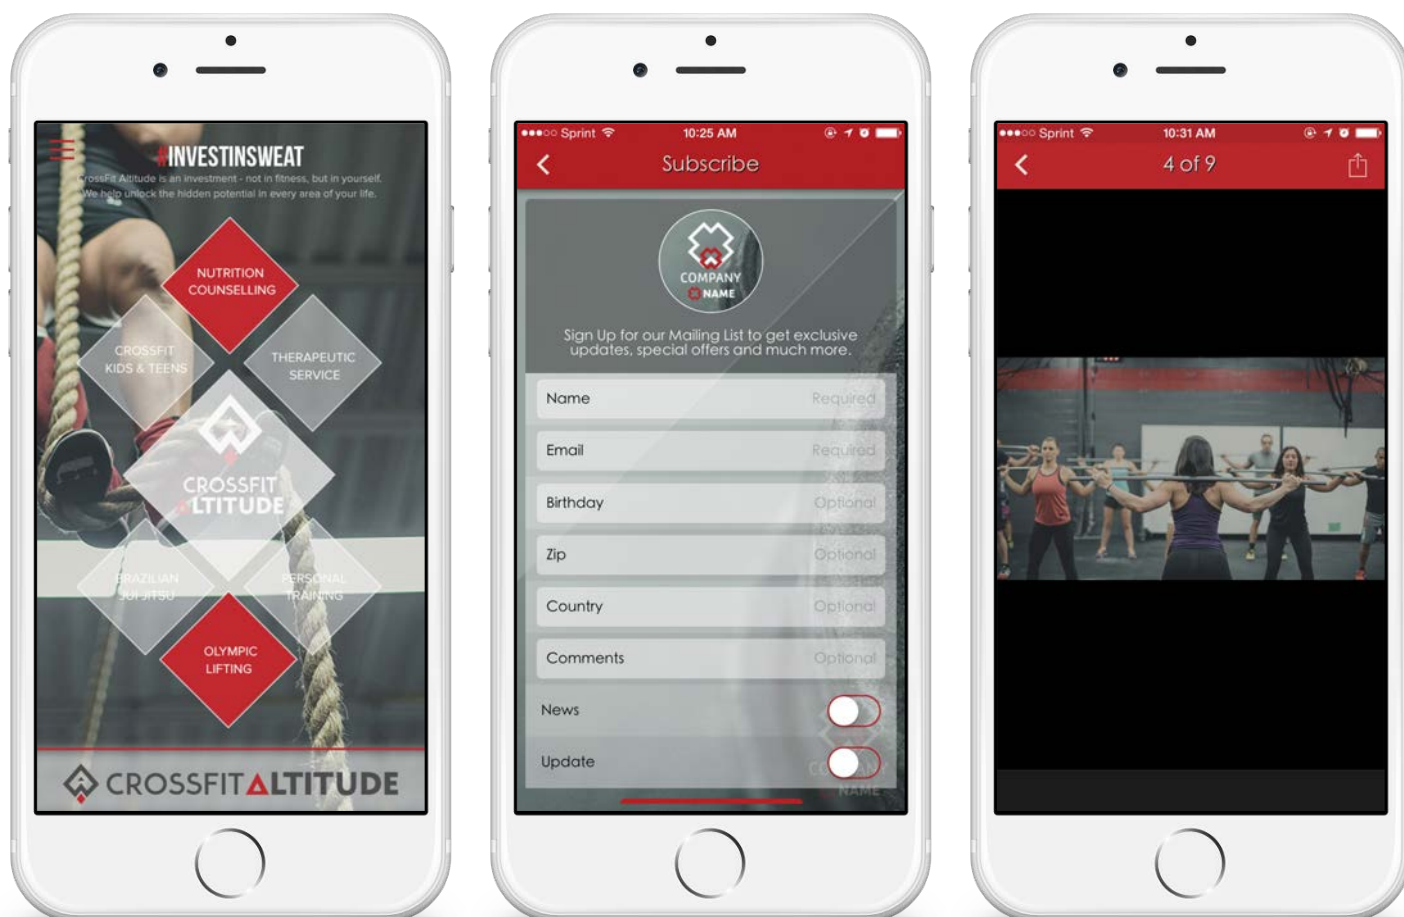

Nailbar & Beauty Lounge uses their mobile app to list services and pricing. They use push notifications to send out weekly specials.

Crossfit Altitude

App Code: CrossfitAltitude

Crossfit Altitude promotes daily exercise videos and tips via the app. Consumers can sign up for classes also.

TAKEOFF Performance

App Code: TakeoffPerformance

TAKEOFF Performance app makes it convenient for clients to pay for classes within the app and request information. Receive a Free Test Flight for downloading the app.
